Ingredients:

2 ½ Tbsp Oil

1-2 Tsp Salt

1 Cup Popcorn kernels

Honey Popcorn

1 Cup Popped popcorn

1 Tbsp Butter

7/8 Cup Sugar

1 Tbsp Honey

1/2 Cup Water

1/2 Tsp Salt

Chocolate Popcorn

1 Cup Popped popcorn

1 Cup Chocolate

Prep time: 45 min

Servings: 2-4 person / 1 big bowl of popcorn

Equipment: Pot, pot lid, wooden spoon, big bowl, saucepan, whisk, parchment paper

Method:

- Add oil and popcorn kernels to a large pot. Mix until covered.
- Set heat to high and cover with a lid.
- Turn down the heat after hearing the first kernel pop.
- Remove from heat once the popping slows down.
- Pour into your favorite big bowl and sprinkle with salt.
- Give it a nice shake – that'll bring up any salt that fell to the bottom.

Honey Popcorn

- Add water and sugar to a saucepan. Set to medium heat. Do not stir once the mix starts to boil!
- Remove from heat once the mix turns golden brown.
- Add butter, and whisk until it's no longer foaming.
- Add salt and honey.
- Pour the hot honey mix onto the popcorn, mixing quickly before it cools and hardens.
- Place parchment paper on a baking tray spreading the honey covered popcorn evenly on top.
- Let cool.
- Break into pieces and enjoy!

Chocolate Popcorn

- Add chocolate chunks to a heat-proof bowl. Place the bowl on top of a pot of hot water to slowly melt the chocolate.

- Pour melted chocolate onto your popcorn and mix.
- Place parchment paper on a baking tray, spreading the chocolate covered popcorn evenly on top.
- Let cool in the fridge to harden.
- Remove from fridge, turn on the TV, plop onto the sofa and enjoy an all-time great, sweet snack.

♥ TIP! Store popcorn in airtight containers and refrigerate to enjoy later.
